Dear sir/ma'am,

I am writing to express my interest in the Software Engineer Internship position at **Pearson**, as advertised on career page. Working as SDE intern in Appweave, I am confident in my ability to contribute to your team and bring valuable skills to the role.

Throughout my career, I have built and optimized full-stack applications, enhancing system efficiency and user experience. At AppWeave Labs, I developed an e-commerce platform, improving product search by 4%. My expertise in Next.js, Medusa, PostgreSQL, and the MERN stack has streamlined processes like payroll management and secure authentication. I am drawn to Bright Money for its innovation and impact, aligning with my passion for scalable solutions.

I am impressed by **Pearson's** commitment to innovation in the travel tech industry, especially how it leverages data and technology to enhance user experience and make travel more accessible and personalized. I believe my skills and experiences align well with the requirements of the Software Engineer Internship position, and I am eager to contribute to the success of your team.

Enclosed is my resume, which further outlines my qualifications. I welcome the opportunity to discuss how my skills and experiences make me a perfect fit for your team. I am available for an interview at your earliest convenience and can be reached at +91 8467865427 or abhishek830564@gmail.com.

Thank you for considering my application. I look forward to the possibility of contributing to the continued success of **Pearson**.

Sincerely,

Abhishek Pandey
